The Newe Testamēt

ges of the erth have committed fornicacion
with her / and her marchauntes are voyged
wiche of the abundance of her pleasures .

And I herde another voyce from heven say-
yng: come a waye from her my people / that ye
be not parttakers in her synnes / that ye recea-
ve not of her plages. for her synnes are gon
vp to heven / and God hath remembred her
wicked.

Redres. Rewarde her even as she war-
rou / and geve her dubbler accordyng to
workes. And poure in dubbler to her in the
cuppe wchich she fylled vnto you. And
ioche as she glorified her selfe and lyved
tonly / so moche poure ye in for her of pu-
nishment / and sorowe / for she sayde in her
re: I syde beinge a quene and am no wyde
e and shall be no sorowe. Therfore shall
plages come at one daye / death / and sore
and hunger / and she shall be hent with
for stronge ys the lorde god wchich iud-
ged her.

And the kynge of the erth shall wepe her
wayle over her / wchich have committed
fornicacion with her / and have loved wanton-
nes with her / when they shall see the smoke of
burnyng / and shall stonde a farte of / for
the sorowe of her punnyshment / sayyng: Alas /
that grete cite Babilon / that myghty cite
at wchich honre is her iudgment come.
The marchauntes of the erth shall wepe
wayle in them selves / for no man wyll
theire wares any more / the wares of golde /
perle / and precious stones / nether of pearle / and
red / and purple / and skarlet / and all thyne
vessels / and almaner vessels of yvory / and al-
maner vessels of most precious wodde / and
marble / and of yron / and synamon / and
cassia / and opyntmentes / and frankynsence /
wyne / and oyle / and fyne flour / and whea-
tesse / and shepe / and horsys / and charrettes
and boddys and foules of men.

Imagine what it would be liketo
browse through thousands of early
printed works, without leaving your
desktop; to discover in seconds
the treasures of early printed
English literature that not only
enhances your research, but sends
you back to a time when America
had only just been discovered,
where astronomy was believed to
be a black art and where William
Tyndale was burnt at the stake for
translating the Bible into English.
